VIA : [REDACTED]

SUBJECT : Withdrawal of [REDACTED] from Reading Techniques

The Far East Division requests that [REDACTED] be withdrawn from the Reading Techniques course of 28 October 1957. At the time [REDACTED] was first enrolled in the afore-mentioned course, it was believed that he would attend a full-time French course at Foreign Service Institute beginning 25 November 1957. However, the Language Area School has recently approved a full-time course to be given internally beginning 4 November 1957, which necessitates the withdrawal of [REDACTED] from the Reading Techniques course.
